Youth will be transported back to the club at 3:00pm, and will have access to our clubs' tech center and outdoor space until 6pm. Youth must be picked up by 6pm at the club.

Youth should bring: sunscreen, hat, proper footwear, lunch (hot/cold), money for canteen or swimming fee, snacks, change of clothes.

Drop In After Hours is a program offered at BGC Riverview every Tuesday from 6:00pm-9:00pm in the Tech Center. We offer a safe space for youth to engage in fun programming such as video games, boardgames, outdoor games, and gym games. We may on occasion take a trip as well to a location close to Riverview. We also provide transportation from RMS for any youth who wish to take part. We have made it so that youth who take part in our Afternoon Drop In at RMS, are fed if they choose to stay for the duration of Drop In After Hours. The popular item we get is Bravo Pizza which is a local business in Riverview! There is no calendar of events for this program, it is very much like a Drop In style program where teens can collectively take part in programming if they wish, or if they prefer to just come and enjoy the space this is up to them. Youth are free to show up by means of being dropped off by a parent, or they can walk from home to the club.

Free registrations are now open for our Y.L.C You can register your youth for this amazing opportunity to build confidence and leadership skills all summer long **for youth 13+!**

The camp will end with a camping trip to Camp Livingston in beautiful Alma New Brunswick for 3 days of outdoor awesomeness from August 19th -21st!

With our strong collaboration with the Albert County Food Bank, we are offering a new program called After the Bell. This is an initiative funded by the Food Banks of Canada where we supply FREE bags of food to families and individuals in our community. On Mondays and Tuesdays, YLC youth will work together to create an addition to the food bags provided to us by the Food Bank. This could include fun activities, small toys and other food items. Then on Wednesday, we drop off bags at RMS where they will use the Hub space, as a location for community members to pick up their bag. Also, we will be gifting other organizations in the greater Moncton area some bags, so that they can serve their communities as well.

YLC will also be offering a FREE landscaping service to our community members all summer. Each day, the team will be out in the community serving the needs of seniors and the disabled, with helping with yard work. Depending on the amount of work that needs completed, the team can visit on residence for multiple days if needed. The goal for this project is to build leadership skills, communication, confidence and a sense of ownership all while serving our community.
